書籍推廣活動

各位家長:

良好和持續的閱讀習慣,對同學在知識和心靈上的成長,均有著正面的影響。有見及此,校方其中一個三年發展計劃訂定為「享受閱讀 自信勵學」。

為提昇同學對課外閱讀的興趣,校方早前邀請校外資深講者,因應本校同學的閱讀興趣,向中一級同學及家長推介書籍。當日活動反應熱烈,但因場地及資源所限,未能邀請全校家長蒞臨參與。為使更多家長和學生有機會了解推介書籍的內容,謹將十九本書籍的推介影片,隨通告以二維碼(QR CODE)#方式附上。如有意訂購相關書籍,家長可於坊間書局自行購買;亦可於11月12日或以前,利用本函所附訂購表格#,向書商直接訂購。書商將於12月12日到校,向學生收取款項及派發書籍。

期望通過家長的鼓勵,校方的推動,同學的參與,合力營造本校良好的閱讀氛圍,讓同學們在課餘時間,有更多元的選擇、更全面的發展。

Book Promotion Activity

Dear Parents,

Developing and maintaining good reading habits has a profoundly positive impact on students' intellectual growth and character development. In line with this belief, one of the major concerns of our Three-Year School Development Plan is "Read with Joy, Learn with Confidence."

To foster students' interest in reading, we recently invited an external expert speaker to recommend books tailored to our Form 1 students' reading preferences. The event was well-received, but due to venue and resource constraints, we were unable to invite all parents to attend.

To ensure broader access, we have attached QR codes # to this notice, providing video introductions for **19 recommended books**. Should you wish to purchase any of these titles, you may:

- 1. Purchase independently at local bookstores; or
- 2. Place a bookseller-organized order by completing and returning the attached order form # by 12 November 2025.

The bookseller will collect payment and distribute books on school campus on 12 December 2025.

Through the combined efforts of parental encouragement, school initiatives, and student participation, we aim to cultivate a vibrant reading culture at our school, one that offers students diverse learning opportunities and holistic development beyond the classroom.

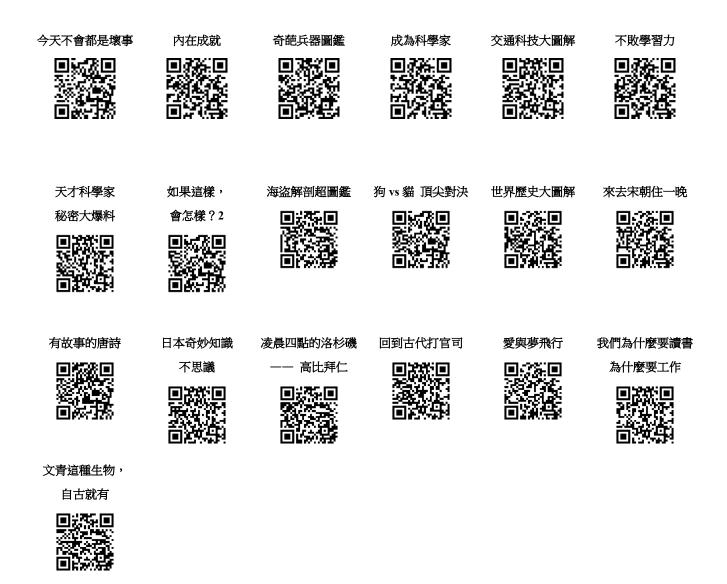

For the QR codes, please refer to the attached page.
